PERSONNEL COMMITMENT

Note: Applicants will be required to sign a Release of Liability.

I agree that I have carefully read the application letter stating the qualifications for applicants, the nature of the mission, and my responsibility as a potential team member. I realize and/or agree that:

1. The missions may be extremely dangerous: there are many poisonous and/or deadly animals; many harmful or deadly diseases; and there exists the possibility of being capture, imprisoned and/or killed
2. The physical conditions may be extremely difficult: very hot and humid, primitive living conditions without running water, electricity, sanitation facilities, or medical facilities (it may take days to get to a hospital or clinic)
3. I must be spiritually prepared: walking in the Spirit, having a free conscience, free from moral compromise
4. I will pray regularly and faithfully for my participation, for my team, and for those to whom we will minister
5. I must be physically prepared: in good physical shape, not suffering from serious medical/physical problems
6. I must have the support of my spouse, my spiritual leaders, and a team of prayer partners
7. I will strive to maintain unity and function as a part of the team: not going off on my own, not pursuing my own agenda, refraining from grumbling, gossip, complaining
8. I will submit to those in authority over me (including their decision to send me home if necessary), and accept any task they may assign (including the possibility that I may be left in a support position behind the front lines)
9. I will not pursue, nor respond to, any romantic relationships during my mission trips
10. I will obtain all the required and recommended vaccinations
11. I will work diligently to raise the financial support necessary to help pay for my participation in the mission including transportation
12. I will obtain all of the required personal supplies
13. Safe Harbor may change or cancel any mission trip, even up to the last minute
